STATEMENT FILED PURSUANT TO THE DUTY OF
DISCLOSURE UNDER 37 CFR §§1.56, 1.97 AND 1.98

Sir:

Pursuant to the duty of disclosure under 37 C.F.R. §§1.56, 1.97 and 1.98, the Applicant requests consideration of this Information Disclosure Statement.

PART I: Compliance with 37 C.F.R. §1.97

This Information Disclosure Statement has been filed before the mailing of a first Office action after the filing of a request for continued examination under 37 C.F.R. §1.114. No fee or certification is required.

PART II: Information Cited

The Applicant hereby makes of record in the above-identified application the information listed on the attached form PTO-1449 (modified PTO/SB/08). The order of presentation of the references should not be construed as an indication of the importance of the references.

The Applicant hereby makes the following additional information of record in the above-identified application.

The Applicant would like to bring to the Examiner's attention that an opposition has been filed with the European Patent Office against European Patent No. 1 317 227 (copy enclosed) which is the European counterpart to the present application. Enclosed are copies of the opposition documents which include:

- Communication of a Notice of Opposition (1 page);
- Notice of Opposition dated August 16, 2005 (4 pages);
- D1 - WO 99/06079;
- D2 – Groupe Floreane Medical Implants, Reference Document 2002-2003 (2 pages including page 7);
- D3 – Jarsaillon, P., Laparoscopic treatment of an umbilical hernia using a new composite mesh, Hernia (2000), 4 [Suppl.]: S17-S21;
- Brief Communication dated August 31, 2005 (1 page);
- Letter from Opponent dated August 16, 2005;
- D4 – Parietex Composite brochure, Sofradim International (4 pages);
- D5 – U.S. Patent No. 3,416,524 (Meier).

PART III: Explanation of Non-English Language References and Remarks Concerning Other Information Cited

The following is a concise explanation of the relevance of each non-English language reference listed on the attached form PTO-1449 (modified PTO/SB/08):

The relevance of WO 99/06079 may be gleaned from US 6,264,702 (previously cited) which is a family member thereof.

PART IV: Remarks

Documents cited anywhere in the Information Disclosure Statement are enclosed unless otherwise indicated. It is respectfully requested that:

1. The Examiner consider completely the cited information, along with any other information, in reaching a determination concerning the patentability of the present claims;

2. The enclosed form PTO-1449 (modified PTO/SB/08) be signed by the Examiner to evidence that the cited information has been fully considered by the Patent and Trademark Office during the examination of this application;
3. The citations for the information be printed on any patent which issues from this application.

By submitting this Information Disclosure Statement, the Applicant makes no representation that a search has been performed, of the extent of any search performed, or that more relevant information does not exist.

By submitting this Information Disclosure Statement, the Applicant makes no representation that the information cited in the Statement is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

By submitting this Information Disclosure Statement, the Applicant makes no representation that the information cited in the Statement is, or is considered to be, in fact, prior art as defined by 35 U.S.C. §102.

Notwithstanding any statements by the Applicant, the Examiner is urged to form his or her own conclusion regarding the relevance of the cited information.

An early and favorable action is hereby requested.

Respectfully submitted,

James M. Hanifin, Jr., Reg. No. 39,213
